DIRECTIONS:

Print out each page in color if possible. You can trim the header and footer if you want to. Have students illustrate a particular word for each letter in the boxes below the letters. Attach pages side to side to make a long banner over 12 foot long! You can also do them in page formats to make a booklet.

IDEAS FOR USING THE CALENDARS:

These are just a few suggestions for using these calendars. Come up with your own ideas to get even more fun and use out of them.

- **ANIMAL ALPHABETS:** Have students illustrate animal ABC's.
- **FOOD ALPHABETS:** Have students illustrate fruits, veggies, and other food ABC's.
- **PERSONAL ALPHABETS:** Have students illustrate their ABC's with words they like and objects that mean something to them.
