## DIRECTIONS:

Print out either set of organizers. Cut out shapes along dotted lines. The rectangular boxes are for drawing, while the rounded ones already have illustrations. The rounded ones look best with color!

If you print them out on heavy paper they may last longer. Laminate if possible for better wear.

## IDEAS FOR USING THE CARDS:

These are just a few suggestions for using these cards. Come up with your own ideas to get even more fun and use out of them.

- **DRAW YOUR OWN:** Fill in the boxes with illustrations that match what happened on that day. Arrange in proper order with the arrows between them to show the sequence.
- **ARRANGE THE DAYS:** Arrange the circles of the days in proper order with the arrows between them to show the sequence.
