DIRECTIONS:

Print out the cards. Cut them out along the dotted lines. If you print them out on heavy paper they may last longer. Laminate if possible for better wear.

There is a blank page for adding your own emotions.

IDEAS FOR USING THE CARDS:

These are just a few suggestions for using these cards. Come up with your own ideas to get even more fun and use out of them.

- **ACT IT OUT:** Choose a card at random. A player must act out the feeling without saying a word. Other players must correctly guess the emotion being portrayed. The first to answer correctly is the next actor.
- **CARD ART:** Choose a card at random. Draw a picture that illustrates the meaning. Share and discuss/compare.
