

## LETTER PATTERN TRAINS

### **DIRECTIONS:**

Print out the train cars, in color of possible. Printing on heavy paper and/or laminating will increase the life of these pieces. Cut out each piece along the dotted lines. Print out multiple copies for longer trains and more fun!

### **HOW TO USE:**

**ABC's Trains:** Have students do their ABC's on the trains in proper order.

**Both Cases Trains:** Have students put their ABC's in order with both cases, like AaBbCcDd...

**Letter Trains:** Have students repeat patterns of letters like AEIOU or spelling words on the trains.

**Blank Trains:** Do any of the above strategies, but arrange them in order, leaving a few blank. Students must guess or fill in what they think belongs in the blanks to properly finish the pattern trains.
