## DIRECTIONS:

Cut out the letter and blends coins. They will be placed on the board later. Make multiple copies of the words pages.

## HOW TO PLAY MAKE-A-ROW:

These are just a few suggestions for using this game. Come up with your own ideas to get even more fun and use out of them.

- **TEACHER MIX-MATCH:** Teachers place all the coins in the order they want. Students make words from them, trying to get at least 3 letters in a row. More points are given for 4 and 5 letter words, or for using blends.
- **SCORE BY LETTER:** Teachers place all the coins in the order they want. Students make words from them. Each letter used in a word is worth 1 point. Blends count as 2 or 3 points, depending on the blend.
- **TEACHER MIX-MATCH:** Teachers place all the coins in the order they want. Students make words from them, trying to get at least 3 letters in a row. More points are given for 4 and 5 letter words, or for using blends.
- **STUDENT PLACE:** Students place the coins as they see fit, trying to spell more words. They take turns placing them, and then try to spell off what they have.
